Members In Attendance: Roger Lessard, Bill Nichols, Karen Day

7PM RLessard Called Meeting to order

RLessard motioned to make KDay a full member for tonight's meeting, seconded by BNichols  
VOTE PASSED 2-0

A large cherry tree has fallen into the Meetinghouse Cemetery grounds. The tree was growing on an abutters property. RLessard will contact the abutter to make sure he is aware of the tree. If the abutter does not wish to clean up the tree themselves, the Cemetery Trustees will hire a tree services company to remove the fallen tree, as well as cut down and remove a few more hazardous trees along the edge of the Meetinghouse Cemetery.

RLessard made a motion to make contact with the abutter about the fallen tree, and if the abutter does not wish to take care of it the Cemetery Trustees will approve the amount of \$3,400.00 to pay Roblee Tree Services to cut and remove the fallen and hazardous trees at the Meetinghouse Cemetery. Seconded by BNichols.

In continuing the discussion of replacing the pumphouse at Greenvale Cemetery, they would like to speak with Carter Custom Sawmills to get a quote for a new shed. The underground electric lines will need to be located before they can get a new shed installed.

The Trustees will be renewing their membership with the New Hampshire Cemetery Association. KDay and RLessard will be attending the Annual Spring Meeting in April.

There are still a couple more items that need to be taken care of before the Chronicle Software can be fully implemented.

There are some trees that do not appear to be healthy and shrubs that are overgrown at the Greenvale Cemetery. The Trustees would like to set up a meeting at the cemetery with Sexton Merrill Villmore and Groundskeeper Jeremy Gagnon to assess the vegetation and make a plan for improvements.

The Trustees went over the edits made to Cemetery Rules. KDay Motioned to approve the edits made to the Cemetery Rules, Seconded by BNichols.
