

Proposed Amendment #3

Are you in favor of amending the zoning ordinance to include “ and the Neighborhood Heritage District” in Section III, paragraph 2 to read as follows:

SECTION III. DISTRICTS

For the purpose of regulating and restricting the use of land and the location, construction, and use of buildings, the Town is divided into four (4) districts, identified and defined as follows: Business District; Village District; General Residence District; and Rural/Agricultural District

Superimposed over certain of the above Districts are Special Purpose Districts in which special regulations and restrictions apply. These Districts are identified and defined hereinafter as follows: Industrial District, the Wetland Conservation District **and the Neighborhood Heritage District**. In all cases where Special Purpose Districts are superimposed within other zoning districts, that District whose regulations are more restrictive apply.
