A Walk in the Woods

Saturday, June 30th, 2012
9:00 a.m.

Stephenson Memorial Library, Greenfield, NH

We'll head on over to a trail off of East Road and explore the woods! We might just be able to apply some "Forest Forensics" to see if we can discover a little of the history of those woods.

We will leave from Stephenson Memorial Library.

Please wear sturdy shoes and leave your pets at home. If it is raining, the walk will be rescheduled. Difficulty level is easy, all are welcome.

This program is brought to you by *Speaking for Wildlife*, a volunteer project of UNH Cooperative Extension, the NH Coverts Project, and NH Fish & Game, with funding provided by the Wellborn Ecology Fund of the NH Charitable Foundation.
