

Town of Greenfield, New Hampshire
Road Commission Meeting
September 27, 2012

DRAFT

Meeting opened at 4:30 PM

Present: MSteere-Chair, GRussell, NNickerson and TMurray-DPW

The Commission discussed the potential new Highway Department location and available gravel for use in building and maintaining roads. Items to be considered are –

- 1) Timber removal for clearing site this winter,
- 2) Determine requirements to excavate gravel from site
 - a. RSA requirements
 - b. DES requirements

The Commission requests that the Town Administrator research the requirements noted above.

Discussion of possible bond for town meeting, it was agreed if a bond is requested that it not be for more than five years and that an additional warrant article for continued road reconstruction be included in case the bond issue fails (\$200K). Items under consideration for the bond include the following:

- 1) Road reconstruction based on estimates,
- 2) Opening gravel pit,
- 3) Salt storage shed on new site, and
- 4) Replacement of ten wheeler truck.

Next Road Commission meeting scheduled for October 24th at 4:30 PM.

Respectively submitted,
Myron Steere
