<div> <div>We “second sort”. This means you sort the first time at home, then we handle and sort all materials a second time. This gives us the highest quality material to sell which results in a higher revenue for the town.</div> </div>
<div> <div>Solid Waste Trash Compactor: Household garbage only</div> <div><i>*Your basement, shed, garage or yard refuse has other appropriate areas for disposal – See Attendant.</i></div> </div>

**Greenfield, N.H.**

### Come to the Recycling Center to see us!

- The staff of the Greenfield Recycling Center is totally committed to being stewards of the land, environment, and the town.
- We are always ready and willing to help you in any way we can.
- We are never too far away or too busy for you to ask questions or to direct you to the appropriate area for your items.
- It is our hope that your experience at the Recycling Center is positive, inspiring and enjoyable.
- We are always open for suggestions and enjoy the exchange of information with you.

### RECYCLING RATE

- We use the tonnage from the “solid waste” (garbage) and the total tonnage from the recyclables to formulate the recycling rate.
- The more you recycle, the higher the recycling rate! The higher the recycling rate, the more revenue for the town!
- Your careful dedication to recycling is much appreciated because it helps us to get the highest revenues for taxpayers.

### HOUSEHOLD HAZARDOUS WASTE COLLECTIONS IN KEENE

March through October.

Dates and information available at the GRC.

Save time and effort – ask before you go!

*Remember to read the Greenfield Spirit to see our current updates and information. It is mailed bi-monthly.*

### ALL ITEMS DROPPED OFF AT THE RECYCLING CENTER BECOME THE PROPERTY OF THE TOWN OF GREENFIELD.

*Except items for the Library and Mini Mall*

Please....for your safety, our safety  
and for the planet,

**Turn off your car engine** while using the  
Greenfield Recycling Center facility.

Running engines lead to toxic exhaust fumes  
going inside the building  
through the recycling windows.

***Many Thanks!***

### Community Mini Mall/Library

The Greenfield Recycling Center is pleased to offer town residents the service of the Mini-Mall and Library. This is a wonderful opportunity for people to reuse items as part of the “reduce, reuse, recycle” philosophy. Because the Mini Mall/Library is a community effort, all items must be approved prior to being dropped off.

*Please Note: These items are not for resale purposes!*

### Please see attendant first.

#### Mini Mall

Glassware, cookware/utensils, small appliances, houseware items, vases, framed pictures and frames, decorations, assorted toys, games, puzzles, etc.

Leave only items that:

- Are functional, clean, usable, attractive and have all parts.
- Tape all games and puzzles closed

#### Do not leave:

- Items that are on the Fee list such as electronics, etc.
- Junk, unusable, broken or soiled items
- Textiles of any sort (use Salvation Army bins)
- Chipped or broken glass, ceramic etc. (Demo)
- Sharp objects, knives or scissors within reach of children

#### Library

Paper/hard cover books, and cassette tapes, CDs, DVDs, LP records, current text books, children’s books and other learning materials

#### Do not leave:

- Moldy or wet books – place in the trash
- Magazines or encyclopedias - recycle in mixed paper
- Text books over 3 years old - recycle in mixed paper

Everyone should work to maintain a clean and tidy Mini Mall and Library. If you find things in disarray, please take a moment to straighten it out. This is a great resource for those on fixed incomes, college students, or to set up housekeeping for the first time.

**Remember small children frequent these areas!**

## WELCOME TO THE GREENFIELD RECYCLING CENTER

29 DPW Drive  
Greenfield, NH 03047  
547-8617

Email: [recyclingcenter@greenfield-nh.gov](mailto:recyclingcenter@greenfield-nh.gov)

Hours Open to the Public:

**Tuesdays:** 8am – 4pm

**Thursdays:** 11am – 6pm

**Saturdays:** 8am – 4pm

*Please arrive 15 minutes before closing  
to process your load.*

In the event a holiday falls on a scheduled open day, the Recycling Center will be closed that day and resume operation on the next scheduled day.

### Recycling is mandatory in Greenfield.

Greenfield Facilities Stickers for your windshield are available at the town office.

Recycling is working for Greenfield!  
It reduces your expensive trash stream, generates revenue to offset the tax impact, and contributes to a safer and cleaner town.
