**Old Business:**

**Pollinator Pathways: Finalizing plans for program this Saturday**

Candi explained that she was completing a pollinator side show which runs on a loop for 9 minutes with no audio. Candi will also bring some baked goods to the program.

Roger reported that Ruth Drescher, an advanced master gardener, will arrive early to set up for her presentation. The GCC proposed handing out leftover seed packets.

Roger ordered the pollinator pathway signs, which have not yet arrived. He will reach out to Catherine Shaw to see where they might be as the GCC wanted them for this program.

Roger will reach out to Steven Lamonde to inquire if he was able to finish the full report.

Karen will contact Dorene Adams to see about sending a mass email to residents promoting the pollinator program this Saturday, 2pm at the Stephenson Memorial Library.

Karen had reached out to Bill Nichols at NH Fish & Game to inquire about a bobcat presentation, but has not heard back yet.

Carol will try to compose the GCC annual report for inclusion in the town report.

Roadside Roundup

This year's Roadside Roundup is scheduled for 4/29/2023. The GCC is considering whether it is worthwhile to hold an event at the recycling center on that day. No decision was made.
