Meeting Minutes

December 4, 2017, 18:30 pm

- We have a scheduling problem due to those leaving. Sundays are tough. The Chief is talking to Franklin Pierce about getting some bunk-ins.
- Mike Hoiriis should start getting his texts shortly.
- Sign up for the Christmas party – Chris Borden said that just about everyone there already responded.
- Chief Hall is working on finding a new tanker. He found one in Minnesota that he thinks could be good. It is a new Freightliner, holds 3000 gals of water, has everything including lights, and they will letter it for us. The price is \$238,000. It also has a Cummings diesel engine and an Allison transmission. The Chief will go to the board with this next week.
- Tod Bryer asked if we have some old fire extinguishers that someone from McGrath Lumber could use to practice. Chief Hall will look around to see if we have any left.
- Captain Babb said that we need another basket of powder for the chimney bombs.

10. GRANT PROPOSALS:

- Captain Batty found out that the reason we didn't get the grant the last time is that we are too small a town to get the really large grants. There is a ratio that has to be considered. We can try again with a smaller amount.
- Captain Batty also asked for a some help on the non-transport license paperwork. Chief Hall said that the form usually comes in the mail. We will also need the Medical Resource Hospital Agreement filed. Chris Borden found it online.

11. ANNOUNCEMENTS:

- Our Christmas Party (with awards) will be on December 9th at the Meeting House at 18:00.
- Deputy LaCourse congratulated all of our graduates from the Monadnock Area Fire School.
- Captain Borden said that the ladder truck is all set up for chimney fires.
