- Fire Prevention Program was very good at the school. Ariel was excellent and was great with the kids.
- The Christmas Party is on December 1st at Plowshare Farm from 6-8pm.
- We are being asked to send a couple of people to Minnesota to see the tanker before delivery. There will be an in-service to demonstrate the use of the truck. Midwest will pick up those who go at the airport and bring them back for their return flight.
- In the case of a call that is about a very large person, KMA should be asked for a bariatric equipment.
- Scott Martin was asked to go out and count lug nuts while the membership voted on his being a member. The vote was unanimous for him.

10. GRANT PROPOSALS:

- Exhaust Grant: Captain Batty stated that the parts are on order, the painting is organized, an electrician hired, and everything is a go for early January. It will take about 5 days. We may need to put it off to warmer weather.

11. ANNOUNCEMENTS:

- We are now affiliated with Keene for Hazmat coverage. We used to be a member of Souhegan Hazmat but in 2010, the prior Chief cancelled membership of \$679. If we had needed them, it would have cost the town thousands of dollars. Chief Hall talked to Souhegan and to Keene and found that Keene would be at no cost. Keene also would bring the suits if we have people who are qualified. We do have people who are interested. The Chief will check with them to see what is needed.
- Thanks to Lieutenant Simmons for the delicious dinner.

12. Dinner for next meeting: Chief Hall

13. Next Business Meeting: December 3rd

MEETING ADJOURNED: 19:39

Respectfully submitted,
Karen Day, Administrative Assistant
