- **NEW BUSINESS:**
- Had a successful ice training on Sunday, March 31st. It was good because the ice was thin so simulated real circumstances.
- Chief McQuade will not be able to be here at the May or June meetings. He will be in Washington for training.
- Fire Standards & Training will be instituting 10 hrs of re-certing this year.
- Run totals for the month – Our new Chief is in the lead but Lt. Simmons is right behind him.
- The gear room is looking great. There is a new peg board in there.
- Deputy LaCourse cleaned out some lockers for the new Explorers.
- Need to get a new map of CMRC – some of the building names have changed. KMA needs that info too.
- The Explorer Program will begin on April 9th with a recruitment night.
- Explorers will need ID tags – we could use orange.
- Chief McQuade will start doing pre-planning on Sunday mornings. The Meeting House will be first.
- We need some tools for ice rescue – carabiners and ice screws
- The old forestry truck needs to be returned to the state – Moto will take it back to Bear Brook.
- Firewood needs to get started for the Memorial Day weekend. Chief McQuade will talk to Todd Mason about wood. Would also like to add a roof on the sale trailers.
- The exhaust system work is scheduled to begin on the 22nd.
- Tod Bryer and Mike Hoiriis thanked the department for allowing them to join even though they are from other towns.
- Everyone thanked DEMD's Day & Boilard for dinner.
-
- **DINNER NEXT MONTH:** Fire Warden Hennessey will bring pizza.
-
- **NEXT MEETING:** May 6th
-
- **MEETING ADJOURNED:** 20:30
-

Respectfully submitted,

Karen Day, DEMD/AA
