- There is a possibility of a Radio Inoperability Grant to get radios re-programmed. Joe Sangermano from dispatch tested our area for reception. Mike Hoiriis asked if there could be an in-service on operation of other buttons that we don't use on the radios. Chief McQuade is working on making sure that everyone has a radio.
- We have \$5400 left over in the painting grant that could be used maybe for a metal storage building for the boats. EMD Martin made a motion to have the Chief decide what to do with the excess money. The last suggestion was buying wheels for the stokes.
