- Alarms at CMRC – The group homes used to silence their alarms so we didn't get them. They aren't no so we will be seeing a few more calls.
- There is some confusion on box alarm locations at CMRC. We should be getting a list tomorrow.
- Chief McQuade - We had a good fire training at the library. Chief Hall helped with that too. This opened the lines of communication with them.
- Fire Prevention – The school brought all 90 kids to the station. The Explorers helped with the program. Thank you, Explorers!
- Chief McQuade – next year, the insurance for the Explorers will be coming out of our budget so that they don't have to pay for it individually. We will need a check for this by December 7th.
- Discussed having the Explorers come to our meetings and to calls to begin doing the work of the department. Capt. Batty said that the Explorers must have their own separate meetings as well.
- We have new radios in the radio room – some are still being tested. Chief McDonald has some radios for us at no charge.
- Annual Christmas Party and Dinner at Plowshare will be on December 6th at 6pm
- Run totals for the month are at 23
- The Explorers will be taking over washing the trucks.
- Thanks go to EMD Martin and Capt. Simmons for cleaning the trap in the bay.
- **DINNER NEXT MONTH:** Chief Hall
- **NEXT MEETING:** December 2, 2019 (postponed to December 9th due to storm)
