

Town of Greenfield
Planning Board
Preliminary Site Walk Minutes
Recorded by Michelle Hall
January 24, 2020

Members Attending: Mason Parker, Neal Brown, Robert Marshall, George Rainier, Ben Hale, Rob Walling

Public Attending: Cameron Holt (Applicant)

9:00 am MParker called meeting to order at the residence of applicant Cameron Holt for a site walk.

CHolt walked the planning board around and through the building of his proposed home-based meat processing shop. **CHolt** showed the planning board where the livestock trailer would be dropped for the humane processing to begin. The harvested meat would then be moved to the cooler where it would be stored for a set period of time, depending on the type of meat and what the client would want for an end product. The meat would then go to another room for further processing and end in a freezer.

CHolt informed the planning board that his process is completely USDA compliant and all materials used also being USDA compliant. **MParker** made the motion to allow the proposal to undergo a minor site plan review. **Seconded by Ben Hale. Motion passed 6-0-0.**

The planning board asked that **CHolt** have the following for the public hearing scheduled for February 10th: update site plan showing contours and the brook's course.

9:36 am MParker motioned to adjourn. **Seconded by NBrown. Motion passed 6-0-0.**
