The Emergency Management Team needs your help. We have been awarded a grant for an electronic message board that we have been working on for 2 years. Now, we need to have the Selectboard sign their acceptance. They are not willing to sign off until they know the public supports it first.

So, we are throwing a barbeque and information event for all of you, hoping you will come, hear our presentation, ask your questions, and tell us if you support getting this sign or not by signing our vote sheet. Lunch starts at 12:00 and the presentation will begin at 1pm. If you can't come but would like to support us, please call 603-547-5606.

The Sign's Purpose:

- Public Safety Messages like Amber Alerts, Fire Danger, Floods, Hurricanes, or Shelter Open, Water, Hot Meals, Showers – whatever we have available
- Replace the current antiquated Fire Department sign
- Inform the public of events such as Vaccine Clinics, Blood Drives, or CPR classes

Cost:

- There will be **NO** cost for the sign to the taxpayers
- The grant is for \$20,000 with a soft match of our volunteer hours, plus a \$3,391 donation from the Greenfield Firefighters Association (GFA).

Timeline:

- The Selectboard must approve the grant first, then it goes to the Executive Council for approval
- This sign must be purchased and installed this year, or we lose the quoted price/and grant

About the Sign:

- This 3' x 5' sign will not blink, flash, or have videos (The old sign is about 8' long)
- Brightness can/will be controlled especially at night

The Emergency Management Department's work is all about doing our best to make sure you have the information you need to keep your family safe in an emergency or disaster.

Please come and hear the information, and tell us what your vote would be on this sign.

Consider bringing lawn chairs in case the tables under the pavilion are all taken.
